How to Pray for the Week

- Please pray for our Camp Pastor, Danny Rangel. He is the young adult pastor at BT church. He has a passion to share the Gospel with the younger generation. Please pray for the Lord to use him to speak the Word clearly, to make everything about Jesus, and for his family while he is away if they do not come with him.
- Please pray for Edenfield worship. They will be leading us to worship God through song and music this week. Pray that the songs sung, the words spoken, and the intent of their hearts would all be to bring glory to the name of Jesus. Pray that the Holy Spirit would use them to deepen our love for Jesus!
- Pray for those attending camp from our church. Pray that those coming who do know Jesus would grow in their walk and relationship. Pray for God to show us our sin, bring us to repentance, and deepen our love for Him. For those going who may not know Jesus in saving faith, pray that God would save them through the power of the Holy Spirit this week!
- Pray for our adult leaders as they sacrifice their week to pour into our students. Pray that the Lord would use them to lead those attending camp from our church to Jesus. Pray also for the families they are leaving behind to serve at camp.
- Let's also pray for all the other churches/adults/students attending this week. Pray for God to work in them.
- Pray also for the Generate staff, that the Lord would move and work in them as He uses them!
