Park Place is very grateful for **Korbi McQueary**, as she has recently celebrated 15 years being on staff! Korbi has her hand in just about every area of ministry of the church – from providing valuable insight and support for staff (especially for Bro. Keith), to creating the bi-weekly newsletter (and other publications), to making and answering phone calls, to making graphics and logos. She even had to proofread this announcement! On top of all that, she conducts a comprehensive preschool ministry which continues to thrive under her leadership. Our preschoolers have benefited greatly from her creative ideas, as well as her passion for God's Word, music, and missions. Korbi is aware of all these responsibilities and accomplishments, but would be the first to say that all the good that has come from her is from God and for God. We are so thankful that He has seen fit to have Korbi serve here at Park Place!

"... and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth." Acts 1:8b
