Building Project Update: During a recent business meeting, the church voted to use Paul Jackson and Son, Inc. as the contractor for our building project. The tentative plan is to move forward with construction of the children's wing first (Phase 1B) and possibly the common gathering space (Phase 1A), if financially feasible. The Building Team anticipates having a project budget and more specific direction regarding construction matters within the next 4-6 weeks. Construction could begin as early as August or September, pending church approval of the expected debt and the project itself. Less than \$440,000 is needed to reach our Fruitful Goal of \$2 million pledged. If you would like to submit a pledge card but have not yet done so, please feel free to call the church office for assistance, mail it, or drop it off during office hours or at a Sunday or Wednesday service. Pledge cards are available on the front pews. Also, feel free to begin giving to the campaign even if you do not submit a pledge card.
