Pastor's Year End Celebration and Plea

As I look back on church life for 2018, several causes for celebration come to mind. God blessed the Park Place family with around 80 new members. Over 20 people professed faith in Christ through the church's ministries. Other blessings include increased average attendance in Sunday School, a sweet spirit, and many successful mission and ministry endeavors, including the start of Reach Rankin.

I'm especially excited about the present and future focus on reaching more residents of Rankin County, reaching more college age young adults, and reaching more young single adults. Brad Baxter, our newest minister, is leading these ministries, effective December 17.

The year-end may prompt some church members to consider tithing and giving offerings before the new year. If you have not given for Sundays you have missed, please determine the amount you have neglected to give and "catch up." Contributions will be used wisely for God's glory. Tithes and offerings given today will be considered as 2018 contributions. Checks can be mailed to the church. The postmark must be on or before December 31 for the contribution to be included in 2018. Contributions may also be brought to the church office by 4:00 p.m. Monday, December 31. Please give joyfully in response to God's written Word and the Word that became flesh and dwelt among us!

Lastly, we plan to begin the new year on Sunday mornings with the sermon series "Peak Priorities – Living an Ordered Life God's Way" based on the Sermon on the Mount. If you desire to order your life according to God's priorities for you, then you will especially enjoy and appreciate this series. Please invite others to join you on Sunday mornings. Many people who are not involved in church are sometimes more open to church involvement at the beginning of the year.

Let's begin the new year with our priorities in the right order, gathering together as a spiritual family the first Resurrection Day, Sunday, January 6.

To God be all the glory,

Bro. Keith
